🥋 SenseiBook Quick Start Guide

Welcome to SenseiBook!

This guide will help you set up and start managing your dojo in just a few minutes.

Step 1: Create Your Dojo

Go to **Dojo Management** and create your dojo.

Add:

- Dojo Name
- Logo
- Address
- Contact Details

If you manage multiple branches, create each dojo separately.

Step 2: Create Batches

Go to **Batch Management**.

Create your training batches.

Examples:

- Kids Beginner
- Kids Advanced
- Adults Beginner
- Black Belt Training

Set:

- Batch Name
- Training Days
- Timings
- Instructor

Step 3: Create Fee Plans

Go to **Fee Structures**.

Create the fee plans used in your dojo.

Examples:

- Monthly Plan
- Quarterly Plan
- Yearly Plan

Set:

- Fee Amount
- Duration
- Renewal Rules

Step 4: Add Students

Go to **Students**.

Add students individually or import them in bulk.

Student details may include:

- Name
- Phone Number
- Parent Contact
- Batch
- Belt Level
- Join Date
